Entry of the above amendment(s) under the provisions of Rule 1.312 is respectfully requested for the purpose of improving the form of the application and providing clear antecedent basis for terms and phrases used in the claims. In particular, (a) the term "compound," having no antecedent basis in claims 3, 7 and 15, was replaced with the phrase "oxalic acid and said salt"; (b) the omission of the letter "n" from word "-propylamine" in claim 5 was amended to read "n-propylamine" in accord with original claim 5; and (c) in reference to claim 75, the weight ratio required by claims 78 and 79 was clarified to read "...glyphosate a.e. to said oxalic acid and salt ...," and in reference to claim 116, claim 117 was clarified to read "...glyphosate a.e. to said oxalic acid and salt"

Inasmuch as the above amendments are for the purpose of improving the form of the application and providing clear antecedent basis for terms and phrases used in the claims, entry thereof is respectfully requested under the provisions of Rule 1.312.

Respectfully submitted,
